## **RULES of the T.G.T Inc. School-Bus**

Nothing is more important to T.G.T Inc. than the safety of your child while in our care. We are always continuing to strive to create a safe and enjoyable ride for all the children, as well as our drivers. As a result, we have come up with some rules on the bus that if followed, allow the children to have the best bus experience they can:

- Children must always remain in their assigned seat. At no point during the ride is the child permitted to leave the seat unless instructed by the driver and done at a safe and proper time.
- **No Cell Phones or Game Electronics are allowed to be used on the bus.** This includes I-pods, I-pads or anything related with or without headphones. Any electronics caught being used will be taken and kept with the driver for the duration of the bus ride and returned to the child at their disembarking location. This is for the safety of your child's property as well as the safety of the other children around who may be viewing the device.
- No large objects to be allowed on the bus. This includes large school projects, snow sleds, skateboards, etc. If your child needs something for school, it will be your responsibility to get it to and from your child's location. The driver has the right to refuse any item they deem too large or unsafe. Any questions contact the office before sending it with your child.
- **No bullying on the bus. Physical or verbal bullying of other students/drivers will not be tolerated on the bus. T.G.T. Inc. has a HANDS-OFF policy on the bus, so any touching of another child/driver will not be permitted. No verbal bullying, no teasing, name calling, or hurtful words/phrases are to be used on the bus. Bus suspensions will be enforced if necessary.**
- Children are to use indoor voices on the bus. Screaming or inappropriate loud noises will not be tolerated.
- Masks are to be worn when necessary. No spitting on or at anyone/thing, throwing "spitballs" or any saliva exchanging.
- No throwing of objects on the bus or out the windows. This includes hats, mittens, scarf's, backpacks, toys, or any other loose objects that may be on/with a child.
- There will be a **5-minute** wait time at the school from the bell. If your child has not reached the bus at that time and is left behind, it will be your responsibility to get them from the school. Please talk to your child and teacher about getting to the bus promptly.
- **No open Food or Drink of any kind is permitted to be consumed on the bus at any time.**
- 1<sup>st</sup> warning will be a phone call to parents, 2<sup>nd</sup> warning will be a 3 to 5-day suspension (depending on the incident) and 3<sup>rd</sup> warning will result in cancellation of service without a refund.

Drivers need to be focused on their #1 task, which is driving and when the driver encounters fewer distractions, the safer the ride will be for your children. It is important that you review these rules with your child and ensure they understand that failure to comply with these rules will result potential removal from service.

Thank you for your cooperation in this matter. Should you have any questions, please contact the office.
